State Homeschooling Convention Leaders

Dear Fellow Homeschool Leaders,

I highly recommend Chap Bettis as a featured speaker for your annual convention. He is as solid Biblically as they come, and his presentation of parenting as disciple-making is timely, practical, and so needed. As a former pastor, he has a shepherd's heart for parents and families.

I was the president of MassHOPE for almost ten years, and I know it's challenging to find speakers who will minister effectively to homeschooling families. Chap is the kind of speaker we always wanted to find.

Again, I highly recommend him to you as a featured speaker for your convention or special event. If you have any questions about him please feel free to contact me.

Sincerely,

Walt Grayum
Past President of MassHOPE
Senior Pastor, LifeSource Church
