

The Family Principles Poster

We love, honor and obey Jesus Christ in all that we do:

- By growing in His Word
- By worshipping Him with our whole heart
- By inviting Him to be on the throne of our heart during the day
- By growing in our character

We love, honor and obey Dad and Mom in all that we do:

- By obeying right away, all the way and in a happy way.
- By not rebelling against their authority but appealing to them
- By not grumbling or complaining but being joyful
- By listening to Dad and Mom's wisdom

We love and honor each other:

- By not getting angry but being patient
- By not stealing but asking kindly
- By not arguing with each other but appealing to Dad and Mom
- By not being selfish but including others
- By not interrupting but listening

We do all the work that God has assigned to us:

- By doing all the schoolwork for the day
- By doing all the chores for the day
- By keeping our bodies, our house and our room orderly

We keep ourselves pure:

- By not letting others entice us into sin
- By reading and watching only what Dad and Mom would approve
- By confessing our sins to God
- By representing Jesus when we go out to public places

We accept the consequences when we fail in any of these areas:

- By learning from the discipline
- By asking for God's grace in changing
- By listening to Dad and Mom's correction
